If the children were unable to receive free or reduced lunch in school because the school was closed or operating with reduced hours or attendance due to the COVID-19 health emergency for at least 5 consecutive days during the 2020-2021 school year and the child:

- attended a school during 2019-20 or 2020-21 school year that participates in Community Eligibility Provision (CEP), Provision 2, or Provision 3. If you are not sure your child attended an eligible school, you should contact the school district the child attends before you apply; or

Benefits will be determined based on how many days the child learned remotely. If the school was closed meaning all classes were virtual 13 schools days or more, or hybrid meaning the school was operating at reduced attendance for 12 days or less.

The benefits for a

- child who was learning virtual are \$129.58 per eligible month;
